ISSUE 9 SEPTEMBER 2010

President's Letter

When the weather turned bad last week and with much of the President's Letter dealing with the Picnic Day, we decided not to print. It has been updated and includes a report on the 14/1's Championship match.

The finals are over for another year, the whistleblowers blew for the last time on August 28th at Christie Park. The nets are packed away and the goal posts have gone. Now we reflect on Season 2010 and look forward to Season 2011, our 59th year.

Hold on – what happened the week of the Finals, August 28th? The Tigers started proceedings at Christie Park with our 14/1's and what a sight the gold & black army were again. What a great sight, the stand was three-quarters full of Epping Eastwood supporters. The roar of the Tigers could be heard in full cry in support of the team. The game started off slowly for the Tigers who were kept pinned down in their own half for the first 10 minutes. Glenhaven were pressing the Tiger's defence but could not penetrate it thanks to some excellent

work by the Tigers goalkeeper, who was called upon throughout the game, to pull off some magnificent saves. Close to halftime and the Tigers broke away through our blonde haired No: 4, Adrian Shaw, (who I note had a haircut), and he put the ball in the back of the net. Both teams had opportunities in the second half. The score remained Tigers 1, Glenhaven 0. EEW Tigers Premiers & Champions, the same result as the 14/3's the previous week.

As you would expect, both players & supporters were elated. The victory tunnel was formed and we were treated to an excellent rendition of the victory song, (which may have been rehearsed). It rang out loud & clear over Christie Park. Coach Mark McLaren has done a great job with these stars of tomorrow and his obvious joy was shared and appreciated by all. So lads, we are ready for Champion of Champions first round in Orange on September 19th. Good Luck to all!

Moving on to other matters, we are pleased to confirm Alex Tobin as our

guest speaker at the Club Dinner. There was some doubt that the change of date may have prevented his acceptance (Friday September 24th).

Work is scheduled for the resurfacing of Boronia Park during the month of October and it is hoped that this will give us an improved playing surface and more lasting grass coverage. Work will be carried out by a private contractor and will be funded by Parramatta City Council and the Epping Eastwood Football Club.

What a disappointment the Picnic Day had to be cancelled due to the weather conditions and what about the day after - Father's Day – magnificent sunshine. We had hired 2 large slides among other items that had to be cancelled at short notice. In over 25 years we have lost two Picnic Days because of the

weather. Thanks to all of you who made the effort to pick up the trophies. We handed out over 200 in 3 hours and we will be open again this Saturday, 11th September, at Boronia from 9am till 2pm for those still needing to collect trophies. We will also begin the collection of shirts & other team gear. All players – please make sure your club shirt is returned to your team manager. We would like to complete this over two weekends at most.

Don't forget the Club Dinner. Book now please.

Till next we meet,
